Filed June 26, 1948

License for Diversion and Use of Water

APPLICATION 8873

PERMIT 4915

LICENSE 2993

THIS IS TO CERTIFY, That Ruby E. Fielding
Arcata, California

made proof as of October 11, 1945
(the date of inspection) to the satisfaction of the State Engineer of California of a right to the use of the water of
Mitchell Creek in Del Norte County
tributary to Islis Slough and Pacific Ocean

for the purpose of irrigation
under Permit 4915 of the Department of Public Works and that said right to the use of said water has
been perfected in accordance with the laws of California, the Rules and Regulations of the Department of Public Works
and the terms of the said permit; that the priority of the right herein confirmed dates from January 9, 1937;

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed thirty-five hundredths
(0.35) cubic foot per second from about April 1, to about
October 1 of each season year.
In case of rotation the equivalent of such continuous
flow allowance for any thirty day period may be diverted
in a shorter time if there be no interference with other vested rights.

This license is based on the use of water made during the year 1945 which
was the year of maximum use within the three year period immediately preceding
the date of inspection.

The point of diversion of such water is located North Seven Hundred (700)
feet and West One thousand thirty (1030) feet from the
southeast corner of section 21 T. 18 N. R. 1 W. H.B.M., being within
the SE 1/4 of SE 1/4 of said section 21.

A description of the lands or the place where such water is put to beneficial use is as follows: irrigation of
10 acres within the SW 1/4 of SE 1/4 of section 21 T. 18 N. R. 1 W. H.B.M.
20 acres within the SE 1/4 of SE 1/4 of section 21
20 acres within the SW 1/4 of SW 1/4 of section 22
20 acres within the SE 1/4 of SW 1/4 of section 22
18 acres within the NE 1/4 of SW 1/4 of section 22
88 acres total

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the Department acting through the State Engineer in accordance
with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or
unreasonable method of diversion of said water ~~not to prevent unreasonable interference with vested rights~~

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from
time to time by the State Engineer.

The right to the diversion and use of the water aforesaid hereby confirmed is restricted to the point of diversion
herein specified and to the lands or place of use herein described.

Issued June 11, 1948

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license, does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
